## PLAY HARD. SKATE SAFE. HAVE FUN.

Rochester Area Junior Roller Derby (RAJRD) is a nonprofit educational and amateur sports organization and the region's first team offering roller derby play and training to children and teens ages 6 to 18.

RAJRD welcomes skaters of all skill levels to learn this action-packed sport in a safe, supportive, inclusive environment. Skaters grow in self-confidence, athleticism, and teamwork, forming lifelong bonds with their teammates. Our league is diverse – with dozens of competitive, kind, dedicated, and strategic skaters. They show up every week to learn, laugh, and leave it all on the track.

Skater safety is central to training, with both mandatory protective equipment and mentorship promoting healthy habits and choices.

*RAJRD is a 501(c)(3) run exclusively by volunteers, skaters, and parents. When you donate, you are helping to support a vibrant and rapidly growing roller derby community.*
